

# QECSN Network Meeting North Stradbroke Island

**Date: September 7th**

**Time: 8:30 am Start**

**Meet at Toondah Harbour, Stradbroke Flyer (Gold Cat) Water Taxi**

Join us on a discovery tour of ancient lands and deepen your knowledge of the traditional custodians who have lived here for more than twenty-five thousand years.

We will travel by Water Taxi from Cleveland, across the beautiful Moreton Bay to One Mile Point, on Stradbroke Island.

After a short walk we will meet our knowledgeable local guide, Matthew Burns, at Goompi (Dunwich). Matt will enrich our knowledge, understanding and appreciation of Aboriginal Culture on the island.

The tour includes a guided walk around the shoreline, identifying bush tucker plants and learning about medicinal plants and trees.

There will be some, flat, walking today, less than 5 km, great chance to get your steps in for the day .
